Please do not come in until you receive this email.

All shipments will be shipped with tracking and signature where available. Shipments outside of Canada; duties and delivery are the sole responsibility of the purchaser. We will not combine any colonial Acres website orders with auction orders for shipping, nor will we combine auction order exceeding 10 business days of the last auction. This process slows down our shipping and processing times.

Delivery within Canada typically takes 7 -10 business days from receipt of Payment. USA can take up to 10-15 business days. International shipping generally can take 4-10 weeks (please allow up to 12 weeks to ship to Australia or New Zealand using surface package, or contact the store to arrange for Express post - additional fees will apply). All International Orders must be shipped with a tracking number and will be a minimum of \$50.00 shipping cost, but can exceed this amount depending on the weight of the package. We will contact you with the correct shipping cost.
